“Doris was a good friend to my mother. When my mom passed away, she and another buddy Clara helped me through it. Although I’ve lost touch with her over the years, I love her still.

Oh, and once she called me at home and my young daughter took a message. She couldn’t remember her last name, and said it was something like “Nutterbutter”. The silly name stuck!

I wish we could attend the service, but we will be out of town.

Our sympathies to her family.
