“ Aunt Dorothy and Uncle Dan will always have a special place in my heart. I remember all the times we would come to your house around the different holidays. Aunt Dorothy would always be there smiling and laughing. Uncle Dan would be there to give a big hug. As we grew older, we may not have seen as much of each other, but I was always welcomed the same way when I did visit. Both of them meant a lot, and will be missed. I am thinking of all of you and my prayers to you and yours.

Love and prayers

“ Dorothy and John were a very special couple to my wife and I. They were more than patients of mine. Through the years Paula and I have many fond memories of them. One of our fondest memories was when John and Dorothy invited us to go with them to their favorite private club for a home made fish dinner on their wedding anniversary. We felt special that they wanted us to do that with them.

We were so thankful that we visited Dorothy in the nursing home about one week before she left us. She got to meet my mother in law and they hit it off right away. I look back now and feel that was a good bye visit even though I did not know it at the time.

Thank you Dorothy and John for those precious memories that will stay with us forever.

Over the years we also have had the privilege of knowing their lovely daughter DD and her husband Mark.

Both Dorothy and John will be missed dearly.

With warm and prayerful thoughts,
Burt and Paula Jones
