“ Prayers to you Cindy, Leighsa and your family. I have fond memories of your mom. She was quick with her wit and kept me on my toes. She had a special way of communicating her message without making one feel totally wrong. I'm sure her wisdom and spunk will be missed.

“ I was so sad when I read and saw Dorothy had passed. Then the more I thought, I remembered to good times we had when we worked at May Co. Dorothy's dry humor and laughter made her a pleasure to work with. She will truly be missed. Lois Levar

“ I have grand memories of the times that I visited with the family. They always knew that I was coming because they heard my car stereo blasting. I went to school with Cindy and had great times especially our senior year. I know the family will miss her greatly and I wish them the best. I am living in South Carolina now and would have attended if I was able to. I am now disabled and have hard time doing about any thing, but if I was able I definitely would have been there for you!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!1 Larry iacano larryiacano55@gmail.com

“ Dorothy has been one of my favorite people for around 40 years. Starting with working together at May Company through her knowing my sister at Heinen's she was always a bright shining light.
