“ *Dorothy was a great lady. We were friends for 38 years and shared many hours together sometimes just talking over tea or coffee. I had the pleasure of spending vacations in the bahamas and had the best times of our lives. She was my friend and confidante. Dorothy leaves behind a big hole in my heart. She is now whole again and with her beloved Mimi.*

Wonderfully down-to-earth, strong & did things her way. We had many conversations about life & travel & the things one must do while on this earth. Will miss her spirit & brutal honesty, but shall remember her words of wisdom. ❤️
