“ *Doug was a best friend from Middlebranch middle school through Glenwood High School and beyond our college years. We double dated, cruised on Friday and Saturday nights and went to reunions together. He was funny, smart, and resourceful. We could pick up where we left off, whether it had been a year or several decades in between visits or phone calls. I'll miss him greatly. Goodbye, old friend.*

“ Doug and I attended Case-Western Reserve University in the late sixties and were members of the same fraternity, Delta Tau Delta. He was a smart guy, a great athlete with innate abilities in all sports and he was fun to be around. Thanks for your leadership and friendship and especially for all the great memories. RIP Brother Doug

“ I have served with Doug as a member of our Condo Association Board for the past two years, although I did not know him prior to being on the Board. As our Treasurer, he was our guiding light on financial matters and I came to value his judgement on everything that came before us because I realized very early that Doug was a person of great integrity and character. Our Board has suffered a great loss and personally, I am very sad.

“ Doug, is a big loss to hundreds of people of Lake County, and beyond. Doug was more to me than just someone I did business with over 40 years my heart goes out to all of Doug's family. Doug was like a brother to me, in my heart. I lost a family member.

“ Doug was a great guy. He was always there for me as I started my own practice and we helped each other out over the years. Out of all the CPA's I have worked for and with over the years, Doug was probably the most sincere of them all. So sorry for your loss. I will miss him too. Steve Sender

“ I had Doug teach me accounting class when he was fresh out of college, back in the early 70's. Excellent instructor.
