“ I knew Doug as a straight-up, unpretentious, easygoing guy in the wine trade.

Every Tuesday, around 10:30 he showed at our store like clockwork. Some days we shared a small taste of his company's newest import, and tried to decide if it was right for our shop, and how to promote it. Other times, just chatting and place the order. He knew which things sold well for us, and always went out of his way to be helpful, especially when I was new to the business.

I send condolences to Doug's family, along with the assurance that he won't be soon forgotten.
