“ Susan was an elegant, intelligent, strong woman and my mentor. She took me under her wing as soon as she saw my interest to accelerate my career. She soon became my manager and I am proud to call her my friend. She always stuck up for me and supported in tough times. I admired her so much and hope to be as strong as she was. Susan was and will always remain a fearless leader who fights to the bitter end. Words cannot express how grateful I am for my time with her.

“ Susan was intelligent, beautiful and compassionate. As school nurse when our children were in school, her nursing skills inspired confidence and I always knew they were in the best of care. Mollie and my daughter Rachel became good friends and had lots of fun at sports and swimming in their pool. I will remember Susan as a friend, and as an attentive mother with a big heart. My condolences and sympathy go out to Mollie and the family.

“ I knew Susan since 7th grade. We shared many, many fun and fond memories throughout high school and beyond. Starting with sleepovers at Paulinskill Lake, the farm house in Hampton and the lake house in Maine. I hold the time spent with both her and her family close to my heart. My thoughts and prayers are with her family.
