“ *What an amazing and interesting life. If you ever spent time with Edith she could tell you stories from her childhood, the memories of her beloved Cleveland Indians and her travels with her husband. I truly enjoyed the time spent with Edith and she enriched all of us around her. God bless !*

“ *Edith was a wonderful neighbor to live near. She planted beautiful flowers around her yard which she loved to take care of. She will be missed as a very nice woman who loved her baseball games. May she rest in peace.*
