“ I am glad Mrs. Moon was such a big part of our family. I hardly remember life before knowing her. She was such a sweet, compassionate woman with a smile that could light up a room. She always made me laugh whenever I took out my camera during the holidays and family events. She was quick dodging the camera, I will say that! Dave and I are sorry for your loss but I hope you find comfort in knowing she is no longer suffering and is in a much better place. You are all in our thoughts and prayers. May she rest in peace.
Love,
Anne, David, Daniel and Leanna Michniuk
