“ Eric & Dave,
So sorry to hear of the loss of your Mom. Many great memories of growing up with the Weil family and the many years of caring for her property in the later years....your mom and I had many great conversations on my visits.
All my thoughts & prayers are with you!

“ We have fond memories of many musical experiences we shared with Herb and Davie.
There were many moments we were together with the NE Ohio Reading Sessions. Davie was always a tremendous asset to that endeavor. We also enjoyed having Davie in the choir at Mentor Methodist while we were there. She was a great lady!

Thank you, Ted (and Jane). I know that your friendship with both of my folks meant a great deal to them. And when I think of MHS, I always think of you and the choir, where many of my happiest high school memories occurred.
