Elizabeth Ann Donnelly, age 85, passed away on January 13, 2021 at Concord Village Skilled Nursing and Rehabilitation Center after multiple illnesses. She was a resident of Mentor for 9 years after moving from Aurora, where she lived for 40 years.

Beth was born on January 10, 1936 in Wenatchee, WA to William and Margaret Barrows. She grew up in Bloomington, Indiana and studied English and Education at Indiana University. During retirement, Beth and Jim enjoyed wintering in Mesa, Arizona, golfing and traveling together. After moving to Mentor in 2011, they lovingly cared for each other, until Jim passed away in 2014. In her spare time, she enjoyed using her musical talent to play piano, often joining with her girls as they sang together. She was a seamstress, an avid reader, and enjoyed playing euchre

and doing puzzles of all kinds. She attended Lakeview Bible Church, where she grew in faith in Christ and cherished the love and encouragement from friends. She will be remembered as a loving mom with a wonderful sense of humor and remained witty and wise to the end of her life.

“ Oh, another wonderful soul from our Solon teachers has left us all - 85 beautifully long years, what a woman! Mrs. D had a lot to take on when she first came to SHS, taking over the Drama program from Mr. Riedthaler who was very loved ... I'll never forget her first meeting with the Thespian Society (of which I was a member) - we stumbled initially, tho went on to have a wonderful relationship ... I SO appreciate all she did to instill the love of theatre to so many students. RIP dear lady!

“ Amazing lady, mentor, teacher, friend and so much more. The lives she touched were countless, and the friendships I had with so many whom she brought together to share in the musicals and plays, made us closer even to this day. You were a treasure and will be missed until we meet again. Rest friend in joy and peace.

“ Solon High School has lost another one of its great teachers. Beth was always an energetic positive teacher and always kept the staff and students in stitches. She was always looking for ways to make students better. On the golf course , she was a destroyer of the course. Always fun to be around. On breaks, she always kept the room laughing and loose. She will be missed and the heavens just picked up another ANGEL. May she rest in peace. Ralph Porter

“ From Honors English to Drama Club, Mom gave me so much. She taught me how to write, and how to think about writing. She trusted me and treated me like a responsible person, not a child, and made me believe I could be who she saw. And oh, she made me laugh. I can still see the day in my 10th grade year when she stormed into class and started slamming drawers and doors, thoroughly scaring those students who didn't know her outside of that room, only to spin around dramatically wearing a fake laurel wreath and sheet toga. We were, of course, reading Shakespeare's Julius Cesar. I hold so much love and gratitude for Mom Donnelly, and my deepest condolences go to her friends and family.

“ When my husband and I first came to AZ for the winter I contacted Beth and she so cordially invited us to come to their home in Mesa. Then they took us to Vito's for lunch and it has become our favorite restaurant in the area. It was so very nice of Beth and Jim to introduce us to AZ. Beth was a kind and loving person. And she was an excellent teacher.

“ Mom, you touched SO many lives, and made such an impact for your students. You made me more confident, taught me that there’s no such thing as “girls can’t do that”, taught me that every person involved is important whether they are singing a solo center stage or putting some paint on a flat. And all of those things carried over to the rest of our lives. I’m a far better human and woman for having you in my life and I have thought of you so many times in the last 30+ years. I’m only sorry I didn’t have opportunity to tell you all this.

“ Mom, you have no idea the impact you had on my life. Because of the experiences you gave me I do what I do now reaching thousands of people in Africa. You opened the doors to leading in a different way and for that I will be eternally grateful. Thank you for all the hours invested in my life

“MOM, I am sorry but my allergies must be acting up. I hope you know how much you meant to so many people. You were an inspiration in my life. You guided so many young people and helped them go on the straight and narrow. You opened our eyes to happiness. You were strict, but fair. I believe you loved everyone of us Drama Club members. The laughs, the tears, the excitement and the great feeling of accomplishment. You were the greatest teacher EVER. No one will ever be loved like you were. You will never depart this Earth, because you will always be in our hearts. Our class will always remember you. Blasted allergies, .Love you. Missed you since 1978, and always thinking about you. GOD BLESS.

“She was absolutely the best. Not only was I one of her students, but she ran the Drama Club at Solon, and I guarantee that everyone of us will always remember her with great fondness and love. We called her "Mom". My deepest condolences to your family on the loss of this great woman.

“ *Beth will be greatly missed by all who knew her. Beth was one of the four "old Ladies" at Lakeview Bible Church. Shirley, Char, Beth and myself enjoyed telling our life stories to each other and we shared so many laughs together. She was one of the wittiest women I have ever known and could see the humor in almost anything. Her love of the Lord was evident in everything she said or did. We will all miss her until we see her again. I take condolence in knowing she is with our Lord and seeing him face to face! While we are on this side of Glory-she is there! She is off her sick bed and dancing with the angels. I and so many others loved her. I pray for peace and comfort for her family.*

*Love in Christ Jesus,

“ Beth left many including our Lakeview Bible Church family who are truly grieving the loss to us left behind. Entering church on Sunday my eyes looked for her and Char sitting together. Always a hug and kiss on the cheek to this special person. Her wit and charm never wavered. She brightened the lives of all of us. The personal sadness caused by the pandemic kept us apart physically but not in spirit. She was truly loved and will be missed until we meet again. Heaven has gained another ANGEL. This world lost a friend and sister . We will never forget the joy and love she showed to all. Miss you but know you are now are in Glory with our Lord and Savior.

Beth was a dedicated staff member at Solon High School. She had so much energy and enjoyed working with staff and students. Never too busy, Beth even found time to help produce the annual plays. I will especially remember golfing with her and Pat Sima at Auburn Springs golf course. We played often and had so much fun together. It is a memory I will never forget. RIP Jean Miadich

Beth was such a fun, lovable teacher and a joy to be around. When Beth retired, I missed her sense of humor. I enjoyed all of the musicals and plays that she directed. She put her heart and soul into each show. if you were fortunate to have the same lunch period with her, it made the rest of the day so much more enjoyable. Rest in peace.
