“ *My heart goes out to you Janie, and Susan. I met you in 1962 when I was four years old! You were my very first friend Janie. I spent a lot of time at your house growing up. The first day we met, your Mom invited me for lunch. We watched Batman at your house because you had a color TV. Ha Ha. I will always remember your Mom as a very kind, funny, loving woman. She always opened her heart and home to me. What a lovely woman! She will always hold a special place in my heart. I'm so sorry for your loss.*

*With love,

My prayers and thoughts are with you during this very hard time. Your mother was a wonderful person and I'm sure the heavens welcomed her with open arms. She's probably having cocktails with Mary Lou and Joyce. So very sorry for your loss. Love always, Lori Bolander
