“ God bless you all in this time of sorrow and may the beautiful memories of her smile help you through this difficult time. I know no words can reflect how you feel but your family is so loving, strong bonded, and a true gift for any who know you which is a reflection of the love Liz gave each of you daily. She left a beautiful legacy in her family and though she will be greatly missed we will enjoy her presence still through each of you. May God calm your grieving spirits until you see each other again. All our love and prayers. The Grano Family, Dana, Gus, Maria, Rosa, Cecelia

“ I was so shocked a few minutes ago when I saw on a facebook post from Jeannette that Liz had passed. She was a wonderful friend and we had many fun times living in the same neighborhood and at all those gymnastic meets. We will always keep her in our prayers and send our love to all the family.
