“ *Timmy (that's the name I know you by). I have often thought of your family. Your were just a toddler but also I knew Tyree was born and your Mom had married. Ellen's mom lived on River Street and Wetmore in Grand River and somehow you were related to Mr. and Mrs. Randall. My mother, Mrs. Gavel, babysat for some time for you. We lived next to the Randall's and our family saw you as a pleasant little kid.*

*It is sorrowful that people can finally connect but only because of a funeral. My sister and I were of an impressionable age when you were born so my folks would tell us that the situation was not ideal but they were very pleased that Ellen knew how to work and take care of her kiddo so very well and the young age she was. Hope you turned out as pleasant as you were then and all is well. Phyllis Gavel, Euclid, Ohio, but grew up in Grand River.*

“ *Dear Timmy, I am very sorry to hear of your mother's passing. I was heartbroken to hear of Ty's passing. It must have been just awful for you and your mother. Best wishes always to you and Kim. XO
