“ I met Elsie earlier this year at Kemper due to my grandpa becoming a resident there. We became friends and I always looked forward to talking with her. We talked about a lot of things including my upcoming wedding and how I plan to stop at Kemper on this upcoming date in September and she would smile and tell me how she couldn't wait and promised me to remind her just prior. I'm sad she will not be there but I know she is at peace now.
