*Im friends with Elsie's granddaughter Jennie. Elsie would let us have a girls sleep over at her house when we were little. She would also have me over for dinner. She always asked me how my parents and I were doing and she always listened. You will be missed.*

*A very special Aunt. My Aunt Elsie always had a great smile, and was always wearing it. She was such a pleasant person to be around. She had a lot of laughing on her mind even until the end. As far back as I can remember, this was my Aunt Elsie. We'll all miss her very much and hopefully she's still smiling. Nephew, Jim G.*
