

Enrique C. Madrona

July 27, 1965 - January 11, 2018

Enrique C. Madrona, 52, of Mentor passed away January 11, 2018 at Hospice House in Cleveland. He was born July 27, 1965 in Spain.

Enrique worked at Lubrizol in the I.T. department for 30 years. He has now traveled to his place in the stars. He was an astronomer, historian, and scientist with the heart of an explorer. His search for knowledge and understanding never ceased, whether he was peering at the eternal moon through the lens of a telescope, or reading the stories and lessons of ancient history. May he forever explore the stars and discover all of the wonders the universe has to offer. We will be with him and him with us every step of the way.

Survivors are his wife of 30 years, Eva Aznar; children, Eva, Enrique, and Claudia Madrona, and Laura (Spencer) Gunn; his mother, Victoria Ortega; his brother, Javier Madrona; and his sisters, Victoria Madrona, and Rocío Madrona.

He was preceded in death by his father, Enrique Madrona Pinedo.

Private family services will be held in memory of Enrique.

Arrangements entrusted to the Brunner Sanden Deitrick Funeral Home &

Cremation Center 8466 Mentor Ave., Mentor, OH 44060.

Please offer condolences at www.brunners.com

“ Querido hijo:

Dios me dio la cruz más dura que una madre puede soportar. Espero me ayude a llevarla. Ya no podré escuchar más tu linda voz diciéndome "mamá". Ese día salía el sol para mí.

Sé que la Santísima Virgen te habrá envuelto en su manto para llevarte a un maravilloso lugar en el Cielo. Fue tanto lo que recé, que pienso que los caminos de Dios no son los nuestros.

Fuiste un niño caritativo, inteligente, un hijo ejemplar, buen esposo y padre.

Una madre no olvida nunca a un hijo ni poniendo un océano de por medio. Te llevaré siempre en mi corazón.

*La que te dio la vida,
la que acunó tu llanto,
la que miró tus juegos
con ternura y encanto,
la que escuchó tu risa,
la que besó tu pelo,
la que sufrió contigo en aquel parto eterno,
la que con pechos firmes a ti te amamantó,
la que en su vientre tiene aún vivo tu calor,*

My Ancient Heart of a Child

*My heart of silk
is filled with lights,
with lost bells,
with lilies and bees.
and I will go very far,
farther than those hills,
farther than the seas,

to beg the Lord Jesus
to give back the soul I had,

“ Enrique,

You had me at ‘Hello’. You were handsome, charming and, as Bondi puts it, a nerd.

We married too young and encounter many hardships, but we were always together.

I hope that you are next to your father, also a great man whom you love the best. Both of you fighters in a quest to reclaim what was rightfully yours. I would like to think that at one point in this battle you decided to ‘die rather than lose your life’.

It is hard to erase the memory of you in that casket. That was not you, you were strong and funny, stubborn and kind, a true gentleman. I want everyone to remember the great friend, co-worker and father you were. You were like Anakin, a Jedi that breaks the rules to help those in need, regardless of the consequences. You always did what you thought was right, and for that I love you.

I want to thank all the people that help you, us, throughout this battle, and I want to apologize for those that did not. The world has become numb to the suffering that occurs around us, we become a number, just statistics. You were never that in the hearts of those who loved and respected you. You will be remembered and missed, and cherished.

You were my paladin, and I was your tank, I miss playing with you, I miss programming with you, and, yes, I miss arguing with you.

Our children and I followed you everywhere, but you have gone to a place we cannot go yet. So, I hope to see you again, and get back the time that has been so heartlessly stolen from us. In the meantime, I hope to see you every day, here with us, in our children, in our pets, in everything we loved. We will make you proud, I promise you that.

Now I know what a broken heart feels like.

Always yours,

“ *Something many people did not know about Enrique was he was an dedicated online gamer. At work he was my mentor and colleague but outside of work he was my gamer friend. I loved the conversations we would have about a new game coming out and releases we were looking forward to. There were times I could not wait until I would see him again so I could show him a video I had captured from a game. We'd talk about it and laugh together. When Enrique was on leave I would often find myself checking and would see that he had been on recently playing something. I knew from our conversations he would still find time to game a little to help take his mind off what he was going through and I would take a bit of comfort in seeing there had been activity. I will miss dearly my friend LordMadvox.*

“ To everyone who knew and loved Enrique,

Thank you all so much for not only showing him and our family love and support during his battle with cancer, but for continuing to do so after his passing. Enrique and the rest of us were deeply touched and motivated by all the cards and messages sent to him over the past 18 months, and that kindness will never be forgotten. Neither by him, nor by his family.

This battle was a rough one, especially in the last few months. Our beloved Enrique became someone we know that he himself was unable to recognize. His heart and his mind never deteriorated, but his body was no longer able to keep fighting. He fought hard though, we all did. Despite receiving bad news after bad news, none of us gave up. We kept fighting and trying to stay as motivated as we could until the end.

The service was very small and private. The image of what his body became would be something we know without a doubt he would not want to be remembered by. All the pictures everyone has been placing on his wall represent the real Enrique and the way he would want us all to remember him. He was not a man who lost a hard battle with cancer, he was a tech geek star wars nerd who could talk for days about the moon or mars, and never hesitated to take advantage at any given moment to crack a joke and make us all laugh (especially at someone else's expense 😂).

Seeing everyone's messages on this wall really makes us smile. It reminds us of better times and of who Enrique really was. The four of us have spent the last 7 months watching him slowly deteriorate and it had dominated our minds for so long, but with these kind messages and wonderful photo memories of him we are slowly able to replace that image of sick Quique, with one of a healthy, happy, mischievous Quique, and that helps so much.

Many of you have been endlessly encouraging him and supporting him through this, and that has not gone unnoticed. Curro, Jopeja, Jim, Brian, Marcia, Paul and so many others.. Thank you thank you thank you from the bottom of our hearts for everything you've all done for him. Whether it was a personal visit, constant messages of

encouragement, or mushroom drops, your care and love for him was clear and eternal. Trust us when we say that even after his death, he will never stop being grateful to you all, nor will we. So we have one last request on his behalf to you all: laugh as hard as you can. Remember not only the good things he did, but the stupid things he did that made you laugh at him. He would rather we make fun of him than pity him. So laugh, laugh, laugh. He was a bona fide dork with countless derp moments - time to spread the derp.

*With our deepest gratitude,
The Madvox family: Eva, Bondi, Chico and Claudia*

And please, pass this message on to others who knew him but may not be on this website. This is directed to EVERYBODY who will miss him.

“ Enrique was such a great person, friend, colleague & mentor – very kind, very smart, funny & always helping others – always doing what’s “right” & always a good example for us all. He was loved by many because he positively touched so many lives in so many ways. He is leaving an irreplaceable void in the hearts of all those who knew him. He was a pleasure to know & will truly be missed but will never be forgotten ...
May God be with Enrique’s family & comfort them through this difficult time. I believe Enrique is still with them & all of us in spirit...

Then followed a two hour debate on all things Sci Fi, I had indeed met my match, a fountain of knowledge, fun stories and crazy facts. I didn't see him again until I myself moved to the US. “ *Enrique fue un gran persona con la que tuve el privilegio de trabajar. Desde el principio siempre demostro ser profesional, generoso, y dispuesto ayudar a todos. Le pido a Dios que les de Fortaleza y Consuelo en esto momento tan dificil. "En paz me acostare y a si mismo dormire porque solo tu Jehova me haces vivir confiado".*

“ Amigo mío:

Me dicen que te has ido a hacer un viaje muy largo del que no regresarás. Pero a mí me parece que eso es imposible.

Te veo, con tu eterna sonrisa traviesa y sincera, como te acercas a la caña de pescar de mi hermano y pasando el brazo por detrás de tu espalda tiras de la tanza para hacerle creer que están picando. Jajajaja!

Te oigo, con tu inconfundible voz, decirme: “Cami, voy a acompañar a Reme a su casa y vuelvo enseguida.”

Tú tan caballeroso como siempre. 😊

Te he visto en agosto estos últimos años durante el almuerzo que organizo en mi casa con los pocos que quedamos por Ayamonte, que yo sepa (Merchi, Fernando, JOPEJA y Ruy).

Y te veré el próximo agosto cuando lo organicemos en tu nombre y nos bebamos a tu salud un aguardiente que contiene una sugerente botella.

Sí, ya veo como la coges en tus manos y como acentúas esa sonrisa picarona para transmitirme, sin palabras, lo que estás pensando. Jajajajaja!

Te espero en agosto. Seguro que no nos fallarás.

Mientras tanto... un abrazo muy fuerte. Cuídate.

Ah, me dicen que te diga que no la lées mucho allí arriba.

“ Francisco Javier Pereira González (JOPEJA).

De siempre fuimos muy buenos amigos y aún estando separados por la distancia y llevarnos muchos años sin vernos te lleve siempre en mis recuerdos y muy dentro de mi corazón. En nuestra juventud compartimos una gran y muy sincera amistad la cual a durado en el tiempo. En este tu corto camino en la vida tu gran ilusión fueron las estrellas, y tu ya eres una de ellas. Ya estás en compañía de tus seres queridos y algún que otro amigo y esperando a lo que vayan llegando. Espero volverte a ver algún día.

“ *No sé cómo he llegado hasta aquí con lo mal que me llevo yo con las nuevas tecnologías..... AAAAY QUIQUE.... es lo único que me repito desde el viernes. Aunque ahora las lágrimas inundan mis ojos voy a quedarme con lo bueno. Lo primero: ya has descansado; estás entre las estrellas y SEGUROOOOO que más FELIZ que nosotros. Cuídanos desde allí. Aquí NUNCA te olvidaremos. Pero como no nos preparan para este adiós, SIEMPRE DUELE. Otra vez, Quique has sido el primero. Hay que ver la manía de ser PIONERO.... ¿también en ésto QUIQUE ?pues sí .Has sido el primer primo en viajar a las estrellas.....somos energía y tú solo te has transformado. No sé si te puedo pedir algo, pero yo lo intento. Un par de favores: UNO: Cuida, mimas y vela a tu FAMILIA, en especial a tu MUJER e HIJOS y a TU MADRE y HERMANOS....DOS: No nos olvides JAMÁS.....Yo , por mi parte, siempre te llevaré en mi corazón y cada vez que mire a las estrellas me acordaré de ti.Agradezco al universo el tiempo que compartimos. Un abrazo. Tu prima Inma*

“ I've had this on my wall for years and will keep it there forevermore. Thank you so much for making me a tech nerd, playing lots of fun games together, being a wonderful father, and taking such good care of our family. We all love you so much! Keep practicing your gaming so we can join forces again when we next meet up. I'll be happy to battle alongside you Lord Madvox.

Excelente persona. Como primo, el que todos deseáramos tener. Un alucine ser el pequeño y Enrique el mayor porque todo lo que te contaba era para hacerte vivir una aventura o mostrarte el mundo haciéndote desear vivirlo. Una dulce persona, inteligente, generoso, protector, que siempre echaré de menos pero que se que siempre estará con nosotros. Nunca se irá porque alguien como el con su magia y su ciencia no se van, se transforman en algo más poderoso y bello formando parte de las estrellas del universo. Enrique tu me enseñaste a mirar a las estrellas y saber admirar la belleza del cielo cuando era un niño. Una conversación contigo era vivir una aventura era vivir algo mágico. Enrique siempre te he admirado te he llevado en mi corazón y se que algún día nos volveremos a ver y me contaras cosas alucinantes que deseare experimentar. Kike todo lo que pueda decir positivo de ti es poco, te sobran muchas y buenas cualidades. Y hasta el último momento lo has demostrado. Nunca dejaras de sorprenderme primo. Te quiero mucho Enrique y espero y deseo que nos volvamos a ver algún día.

Hay veces que el corazón, los recuerdos y nuestros lazos de sangre hacen que no haya distancias, te hemos sentido en el devenir diario , en cada paso que dabas con lusión, en tu lucha diaria en eta sinrazón que te tocó asumir desde el principio y de tu impresionante fuerza de voluntad en la adversidad. Hoy toca recordar lo grande qud fuiste en el poco tiempo que te disfrutamos. No quiero decirte nunca adios, porque siempre estarás en todos nuestros corazones, y con algo que nunca nadie podrá arrebatar nos nuestros recuerdos, tus momentos más preciados, tu entrañable familia, Ayamonte, Huelva y tantos otros lugares de los que disfrutaste

Hasta siempre Primo Quique!!!, ahora corre al lado de papa y el tío Enrique que seguro les alegrará tenerte cerca porque ahí donde vas no faltan corazones llenos de bondad, pero eso sí. aquí el nuestro desde hoy se ha quedado un poco más huérfano. Te quiere tu primo Carlos.
