

Eric T. Latz

October 27, 1968 - May 3, 2020

Eric T. Latz, age 51 of Painesville Twp., passed away May 3, 2020. Eric was born on October 27, 1968, in Evansville, IN, the son of Theodore and Judith Latz.

He graduated from Riverside High School in 1987 and attended Lakeland Community College. He furthered his education at Bowling Green State University.

Eric was a great son, brother, loving dad, and a friend to many. His two sons, Evan and Owen Latz were the love of his life. Eric was always preparing for their next big adventure, whether taking his boys fishing or heading to Michigan to see his cousin on the pig farm. He had worked as a firefighter/paramedic for the Mentor Fire Department. He was a member of the Lake County Farmer's Club in Painesville, where he loved to take his boys fishing. He was also a big fan of fantasy football and golf.

Unfortunately, Eric was a big fan of the Pittsburgh Steelers, says his youngest son Owen. Evan, his oldest son, would agree with his dad about the Steelers.

Eric is survived by two sons, Evan and Owen Latz, and his mother, Judith (Arnett) Latz. He was preceded in death by his father, Theodore Latz, and brother, Todd Latz.

The family will receive friends from 12 – 1 pm Saturday August 15, 2020 at the Brunner Sanden Deitrick Funeral Home and Cremation Center, 8466 Mentor Ave., Mentor, OH 44060.

A celebration of life for family and friends will be held at 1 pm Saturday August 15, 2020 at the funeral home.

Inurnment will be in Kirtland South Cemetery.

Contributions may be made in Eric's memory in care of his family.

“ I met Eric many years ago. He was definitely like a uncle of my family. I think of him every time I root for the Steelers.

“ I am so shocked to see that Eric had passed while I was on the site for my brother n laws passing.
I worked in the ER at Lake East in Painesville for 20 years and I had the privilege of working along side this wonderful, kind, and caring man. Such a great loss. My heart aches for his mom and his boys. I will never forget him.

“ *I worked with Eric at CSL Plasma and he was a great co-worker. Knowing him quite well, he did confide in his co-workers about his emotional times. I feel so bad about this. He bragged about his boys and showed pics all the time. He would help me with computer issues I would have as I'm not the best with computers. He was a great guy. So sorry for your loss. 😭*

“ *I am still stunned to hear you are gone Eric. Our years at KFD seem like 10 life times ago, but I still always thought of you as a friend. I know your body is finally free of pain and you will always be looking over your boys. God Speed Eric and I will see you again on the other side....*
