*My precious little brother, God knows how much we miss & love you. You have been on my mind a lot this week. I wish I could just hear your voice and your laugh. My heart still aches everyday, and I still just cannot believe you have gone on to be with the Lord. I know you are doing ok, but we are not :( ...I am still so sad you have gone, but so happy you are no longer in pain. Praying for the day we are ALL together again! I love and miss you so so much.*
