“ *Hi this is Stephanie R., I had the pleasure of caring for Evelyn for several years, through agency and also private care; Evelyn has made a huge positive impact upon my life and I feel that I am a better person for having known her. From caring for her day to day needs, to sharing our little inside personal jokes and laughing so much, she has made a lasting impression upon my heart and my soul. I will forever be grateful for knowing her. I'm proud that one of our last moments we shared together was flipping through my endless vacation photos of The Western U.S. and seeing her joy. This will stay on my heart forever!
Rest in Heavenly Peace, dear Evelyn.*
