“ Mom,
I'll always remember playing rummikub with you every chance we could.
I'll always remember you asking whose rules we playing by.
I'll remember you and I having 7 Word With Friends games going at one time playing back and forth for an hour.
I'll remember you finally texting me and saying "I'm going to bed good night".
I'll remember calling you at 8am you said I have to call you back I'm watching Mass.
I'll remember when I waited an hour and I called again and you said "I can't talk now the rosaries came on".
I'll remember when you would call me and say "did you just butt dial me?"
I'll remember when you would ask "don't you remember when ...?"
And I'd say mom my memory isn't as good anymore and you'd say "I wish my memory wasn't so good!"
I'll remember how awesome you learned facebook, social media, facetime, use an iPhone-heck I don't even know how to use an iPhone. God blessed you with many gifts and I will miss you.
Your daughter, Gloria

“ Sheri and I first met Fran, the day we moved next door to her. That day was May 10, 1969. Her family was our family also. We celebrated Birthdays, Weddings, Graduations and a backyard cookouts. With Fran passing, we have lost a member of the Family. Prayers to the Family, she was a Wonderful person.
