“ *Frank, you will be so missed. I will miss all the fun calls as you would chase me from afar. You would put a smile on my face now my heart truly breaks. Your words so kind and sweet and wisdom beyond your years. I always thought you would always be here. If i could have one more conversation with you. I would tell you how much loved and how much your friendship meant to me. You will forever be in my heart. You are with God now. My heart is broken but i am blessed for knowing you and proud of the man you are. God bless you my friend rest in peace. Your Texas friend your Barbie doll as you called me Barbara hugs baby*
