“ *My deepest condolences for the passing of a kind and gentle man. I have the opportunity to work under Frank for about 5 years when he was leading ATI-Singapore in the area of EHS, HR. Relentless in his purse for excellence yet gentle in his approach. Generous in his sharing. Had the privilege of visiting his home when I was in USA. I will miss him very dearly and remember all the things he had taught me. Likewise, will pass on those valuable experiences to others in the way he had taught me. Please take care....*

“ *Josette, Jessica and Robbie~ My family's thoughts and prayers are with you at this difficult time. I am so thankful I had the privilege of knowing Frank, first as a boss, then as a mentor and finally as one of my true friends. I have little words to express what a special person he was and how he bettered the lives of all who knew him. My best memories with Frank will always be going to Anthony's pizza after the day was done, we would talk for hours about the events of the day, family, hobbies or whatever came to mind, no matter the subject he put his heart into every word often pausing for a time (which sometimes drove me crazy) to say just the right thing, when he finally spoke it was always worth the wait. I will forever cherish time spent with Frank, my deepest condolences to you and your family.*
