“ As a young boy, I would get so excited when my dad or grandfather would tell us that Uncle Frank and Aunt Shirley were coming home to visit. I remember those times like they happened yesterday. I enjoyed listening to the hunting stories they would share and the all the reminiscing that "Yunc" and my dad did at grandpa's kitchen table. I learned early on that their relationship was a special one. It did take me some time to figure out what "Yunc" (younger uncle) meant. I appreciated that Uncle Frank always included me in the conversations and was genuinely interested in what was going on in my world. Although our visits were fewer and fewer over the years, I learned a great deal from him about how a man should act and conduct himself just through simple conversation as well as unspoken word. Uncle Frank was such a sweet man with many admirable and enduring qualities. He will be missed tremendously but his memory will forever live on in my heart. My deepest condolences to Aunt Shirley and Aunt Tootsie Margaret, Kenny/De, Debbie/Scott, Chris/Doug and the entire family.

“ Shirley and family,
It was an honor celebrating the Sacraments with Frank, while he was a patient at the hospital. It was great seeing you, his family, with him too. Frank and your family are being remembered in my Masses throughout this coming week, including the holiday. May he rest in peace. May our Lord's comfort be with you all.
