“ To Lynn and family,
My condolences and sympathies on hearing the sad news about Frank, my boyhood buddy for so many years. We had so much fun growing up during those grade school years. I feel terrible I will not be able to see him one last time but just got out of the hospital and am at home recuperating. Frank was like a big brother to me and even though it's been several years since I've seen him i will never forget the fun times we had growing up. So very, very sorry to hear about his passing. RIP, Frank. You were so cool!
