“ My uncle was the most kindest, patient person. He was a funny guy. He loved his family so much. I hope he's up there pulling pranks with his brothers. I love him and I miss him.

“ Frank was my childhood friend. We spent many days together riding Honda 50s and 70s, and an occasional bumper ride when winter gave us few inches of snow; unicycling and some pick up whiffle ball. Chopping wheely bikes and just having fun, never bored nor did we ever complain. I adored Frank and his brothers. Rest in peace brother
