“ So blessed by Pastor Golding as he was the Pastor who gave us our start in pastoring. We worked with the youth at Living Waters and it was such a blessing. He was a very sweet man.

“ Pastor Golding and his family were part of my family for almost as long as I can remember. I remember mom and dad excited about them being a part of our church. I remember meeting them at a coffee shop and people were singing and playing guitar and worshipping God. He was our principal to our Christian School where I attended with his boys till I was in the 6th grade. My family went to his church every Thursday evening, Sunday mornings and evenings till I moved away at 18. He was practically a second father. He always had a smile on his face, always supportive, always leading the conversation towards God. He was an excellent example. I believe he completed God's call and will in his life. I know it's hard for all left behind but I'm also sooo excited for his wonderful life he'll have in Heaven for eternity, seeing Edna and Steven. I know he heard God say "Welcome home my good and faithful son"! God bless you Fred, Jim and Brad. I love you guys! I'm sorry for your loss.

“ *Fred was my father in law for many years. He and Edna loved me unconditionally and supported me. He was my Pastor and Counselor since I was a young child and always had a smile and kind word. He always had a strong hug for anyone and a solid hand shake. My parents raised me in his church from age 10 and he gave me a solid Christian foundation and helped me as a woman of God find strength in my daily walk with God. I celebrate his life that he led here on earth and I rejoice in his life he is enjoying now in Heaven. Love you*
