“ *I met Fred through Farm Town initially, after he hired me to work for him in the marketplace, and then asked me if I needed a neighbor. Little did I know, then, all the help he would be to me playing the game. I drive a tour bus for a living and travel all over the country. A few months later, I was staying in his area and actually got to meet him (and Linda) at The Redhawk Grill, down the street from his house. I was greeted with a huge smile and an open-armed hug, as if I was his own son or we'd known each other for years. He introduced me to Pierogi and Sausage, one of his favorite dishes. Every time I was going to be anywhere near his home, I would contact him to let him know. I actually tried to contact him when his last bout had started, but regret that I didn't know he was doing poorly. Fred was not only a fantastic help farming, but he was my personal friend, and a genuine Christian man who loved Jesus with all of his heart. I praise God for allowing me to meet him and to know him. Linda - my heart breaks for you and the family because he's not with you (or the rest of us) anymore. But. we will be reunited with Fred in a much better place that he has lived his life to see. He's dancing and singing with Jesus, and finally pain free. My thoughts and prayers are with all of you, and will continue to be. God Bless You!!!*

“ It was my great blessing to be one of Fred's Facebook "friends". Through his kind words, his faith, and his ongoing prayers for others I witnessed a true Christian. A person who put others before himself and wanted only to support and hold up those who were in a challenging situation. God bless him. May God grant the family peace and comfort during this time. Thank you for sharing him with all of us.

“ I met Fred in 1978 just after receiving Jesus Christ as my Lord and Savior. Fred taught me much about the kingdom of God. I treasured my time one on one and in a beautiful small group hosted at the home of Fred and Linda. I learned more about the grace of God in their lives than I had ever experienced before. May our Lord strengthen the family as they walk through their grief I can't wait to talk to him again when we will see face to face and worship the Lord forever. Save me a place at the table Fred.

“ Mr woloszynek was one of my scout leaders. I was a member of troop 380 (with tony and tim). I have lots of fond memories of the camp outs and events which he was many times an intergral part. Most bright shines the memory of a summer camp spent at haliberton canada. Fred was our "nurse" that week....a week that saw a possible meningitis scare. Still one of the best weeks of my entire childhood. So sorry for your families loss. I am sure he will be missed severely and the world is a little less bright without

“ Fred was the wisest man on Farmtown and a very sweet friend who had patience with people who were learning. I say this in honor of him as he was a great influence to many who played the game. His prayer room was amazing and helped many in my family. I am humbled to have had him for a friend and wish I could have met him in real life. To his wife and family, my sincerest sympathy and continued prayers for all of you. Your loss is heaven's gain. I know one thing for sure is that Fred loves Jesus and now he is with the true love of his life. I pray he will bring joy to the angels and they will watch over all who knew and loved him.

“ I want to share about Fred, who I met through Farm Town within the last year. We not only shared a love for the game but for the same savior, Jesus Christ. I will miss him on FB and FT, but I will see him again when it's time for me to join the saints in heaven. Because of Jesus and His sacrificial gift on the cross, we who believe in Him and accept His gift of salvation and new spiritual birth also obtain eternal life--both now and in the next world. What a day that will be!

Then , when my daughter got critically ill and they gave her a 3% chance to live I asked Fred and many friends to pray for her.
