“ They don't make guys like Gary anymore. He was a great man and a great friend. I will miss sitting with him while drinking our beers. Gary was one of those guys you didn't have too say much for you or him to enjoy the company. I will miss him.

Gary has been a friend of mine since we were in the first grade through twelfth grade. We lost contact until about two years ago when we became Facebook friends. I will miss Gary and I am so sorry for his loss! May God bless his family and give them strength and comfort during this time of sorrow.
