“ I was fortunate enough to meet Gayle through work. She was a fountain of information and assistance when I was new and struggling to learn the protocol of the office. Gayle was so full of life and I cannot find the words to tell you how kind, generous and helpful she was to me.

For whatever comfort it may give you, she spoke of you, her family, quite often and with great pride. I could see her glow when she spoke of all of you. Gayle took pride in your successes, and her heart ached in your defeats. It is the feeling I get watching my extended family age and grow. It is a happiness only a close-knit, loving family feels and savors. A love that some families never know, but I can tell you, I am certain, that nothing else meant more to Gayle than the love of her family.

I mourn with you and for you. The world is too dark and angry to lose gentle and decent souls. Gayle was a good presence, a good friend. May she long be remembered and loved.

“ To Katie and Gayle's family--my deepest sympathy for your loss. What a wonderful person Gayle was. She fought her battle valiantly and was a pillar of light for anyone going through the survival of a serious illness. May she reunite with loved ones in heaven ---thank God she is no longer in any pain. I keep her and your family in my prayers.

“ Gayle was always a cheerful fun-loving person that I got to know through my piano bar performances. I remember a couple of "food and game nights" that she invited me to at her home...so much fun!! During one conversation, we realized we had the same piano teacher when we were growing up. I will cherish those times we had always and most of all her friendship. May God bless and comfort all of you as you mourn the loss of such a wonderful person...my thoughts and my prayers are with you.

Sincerely,
P.J. Philips
