“ *Dear Friends,
I am praying for you during this difficult time. Your Father and Mother have left you a wonderful heritage. Godly parents who love and serve the Lord are a legacy this world needs. Growing up together in the faith and hope of Jesus Christ is a constant reminder that we will all be together again in glory! Your dad was a man of character and integrity.
I am sure you are very proud of his testimony. I love you all dearly and think of you often.
