“ Otmer, It is with deepest regret that I could not get to your mother's funeral. But you are aware why. My heart goes out to you and your family in the loss of your mom, Mama and friend. I was praying and thinking of you all at the time of visitation and service.She was always a very happy and sometimes funny lady. Always enjoyed seeing her. I remember helping celebrating her birthday because hers was the 13 mine was the 11. Donna usually had 4 or 5 of us over for dinner because our birthdays were so close. You have done all you could do and she knew that and she knew the love from you always. Just hold on to all the good memories. She is with your dad now and they are happy together again. She is no longer suffering. She will be dearly missed by many. I send my love and prayers to you and your family. Love you all so very much, more than you will ever know. God Bless. “ Sue & family, So sorry for the loss of your Mom (Aunt Geneva). I'm sure it's tough but remember she's in God's house now. She is happy and suffering no more. I know she wants nothing but the best for you so carry on with life and make her proud. The saying goes something like this " miss me but let me go " . Please accept our heart felt condolences because we've all been there. Love ya cuz . Charlie & Karen (Parker) Cayton. P.S. I can remember how her eyes "snapped" when she'd get tickled about something.
