

Geo Ann (nee Reiter) Meister

November 8, 1948 - October 17, 2017

It is with great sadness that the family of Geo Ann Meister (née Reiter) announces her passing on Tuesday, October 17th, 2017, at the age of 68 years.

Born in 1948 in Hamilton, Ohio, to the late George Reiter and Joan Reiter, Geo Ann grew up as a loving daughter to her parents, and sister to her surviving brother George and sister Georg Ann who preceded her in passing.

After graduating from Ross High School in 1968, Geo Ann married her husband Michael soon after. For her, the word family was synonymous with the word love and she continued to grow her family with the arrival of her oldest son Derek, daughter Melissa, and youngest son Nicholas (Lynne).

Geo Ann was always quick to form lasting bonds with everyone she met. For those, she acted as friend, mother, and confidant as needed. Her strength during the hard times, and passion during the good times, keep her shining in our hearts.

Because of that freely shared love for others, Geo Ann will never truly be gone as she lives on through the thousands of lives that she touched during her journey. We will miss her dearly, but will never forget her.

As Halloween was one of her most treasured holidays, the family will honor her memory through the continuation of her traditional decorating of the family home on Abels Ave. in Painesville. The holiday display will be open to visitors between the hours of 6:00 pm to 9:30 pm Monday, October 23rd through Tuesday, October 31st, 2017.

Should friends and family desire, memorial contributions can be made to the American Cancer Society, 10501 Euclid Ave., Cleveland, Ohio 44106.

.Arrangements entrusted to Brunner Sanden Deitrick Funeral Home & Cremation Center, Mentor, OH. Offer condolences at www.brunners.com.
