“ *My dear Pat:
I am so saddened at Bill's passing. Such a genuine fine person who was loving, caring, considerate and fun to be around. I know that the memories that you have created together will always bring you joy. We would always hope to have more time to create more memories but God sometimes has another plan. He knew that Bill was suffering so he chose to take him to a beautiful place called Heaven to watch after you. May he rest in peace
Love and friendship
