“ *Dear Claudia and Family,*

My sincere sympathy to you and your family on the death of your dear husband and dad, George. I remember your entire family from way back at St. Gabriel Parish and School. You were all involved in the activities there. I was also sorry to hear that Steven preceded him in death. One thing is for sure, you've got these two fine men always with you in spirit through your present life experiences. They never stop caring about you.

Fondly and with prayer,
Sister Mary Lisa Novak, SND (former principal)

“ Our deepest condolences to Claudia and the family.

George always had a smile and kind words. His talent with metals were simply amazing. He will be missed very much and may God welcome his soul with loving arms in a place where there's no pain. See you on the flip side our friend.

I would like to share my appreciation for all the kind words. George expressed his outlook on the results of the surgery and said if the results weren't favorable it would be an excellent way to pass, just go to sleep and not wake up. He's smiling with his little Winnie.
