“ *Georgia was the first person I got to know when I started at Thomas & Betts over 8 years ago. She trained me. Right off the bat we connected. Between talking about our dogs to our grandchildren we could stay on the phone for hours. There was no doubt in the love she had for her family, the twinkle in her eyes and the smile in her voice when talking about you is all you needed to see and hear to know. Georgia will be missed and thought of every day. I am blessed to have gotten to know her.*

Georgia and I connected from the first day I started work at Cyberex at the Mentor office in 1999, In the 8 years I spent there, she was always there when I needed her most. She was such a beautiful soul. I cannot muster the words to describe what she meant to me. She will truly be missed. GOD BLESS YOUR SOUL GEORGIA!!!

“ *i worked with Georgia almost every day for 10 years. She was my support as much as i was hers. Although we fought like brother and sister we always ended up laughing at the end. Always talking about her beloved dog riley and her grandchildren who lighted her up were her favorite things to chat about. A part of me will miss her forever every day i think about what she did to make life easier for everyone. Her legacy will always be with all of us at ABB. She is and will always be our family*

“ Georgia was a colleague of mine for the last almost 6 years, someone who we all knew we could count on, as a co-worker and a friend. We all will truly miss her sense of humor, as well as keeping us all in line when we needed that as well.

“ How do I begin. I'm honored and blessed to have known Georgia for nearly 14 years. She was much more than a co-worker to me. She was family to most of us. I admired her spirit and passion for her job. The thing she was proudest of was her family. She loved you'll so much, words cannot express. I will miss our daily conversations about life, family and friends. She had such a big heart and always considered others first. She will be truly missed. May God give you the peace that you seek

“ *I worked with Georgia at Cyberex/Danaher, one of my favorite co-workers that became a friend. She was diligent about her job, but above all else she loved God, her family, pets and friends. We always stayed in touch on Facebook and I am so grateful for that. Georgia was loved by many and will be remembered by all that had the pleasure of meeting her, RIP my friend. My deepest condolences to the Neal Family.*

“ Georgia and I worked together for the past 14 years and she will truly be missed. She was more than a colleague, she was a friend. A kind caring person, who loved her family and her dogs. I will miss talking to her about my dog and grandson. My days at work will not be the same w/o talking to her. My thoughts and prayers are with the Neal family.. Sleep in Peace Georgia. Until we meet again

Georgia was a kind soul who was passionate about her job. She always strived to "get it right" in order to make it easier for her co-workers. Her walk with the Lord was apparent and she was able to bring light to many dark places. While we will miss her presence here on earth, we rejoice in Her walk and that she is now face-to-face with her beloved Jesus. It was a blessing to know her.

“ Georgia was a colleague of mine for 16 years and we enjoyed sharing many stories about our dogs - our "fur babies". She was a truly caring person and her passing leaves a great emptiness in her "work family."
