“ I only knew Georgia for a very short period of time but for the short time that I knew her, she was very caring and thoughtful and always thinking of others.. she and my son spent a lot of time and years looking at homes and she assisted him in purchasing his very first home; he had nothing but nice positive things to say about Georgia and he always praised her for her kindness and helpfulness. She will be missed ! My thoughts and prayers are with her family. May she Rest In Peace ❤️
