“ My late grandmother, Nancy (nee Behm) Marshall, and late cousin Jeanette were both friends of Bunni, several decades ago. Was researching Bunni, and just found this... Honestly, So sad.

“ Aunt Bunni was the glue, rock and heart of the family. Her gift of love and laughter and strength will always be in our hearts. She was truly one of a kind and I will always cherish knowing I was blessed to have been loved by her and to have loved her. We had the best and happiest of times together in Port Aransas. I send all my love and prayers for strength to the rest of the family.

“ *To us, Aunt Bunni was the Matriarch of the family, a most loving and caring Aunt, who always thought of others before herself. She was just so much fun to be with, always laughing and making jokes. We had the pleasure of camping with her the last 2 summers and she treated us so special, made sure we had everything we needed, and was the best hostess. She never wanted us to know she was not well because that was just who she was. We loved her with all our hearts and always will.*
