

## Glenn Stewart Seese

December 20, 2020

Glenn Stewart Seese, 77, of Mentor, Ohio, passed away from complications from COVID-19 surrounded in love by his family. Stewart was born in Pennsboro, West Virginia and moved to Cleveland as a child.

He retired after working 31 years for MTD/Shiloh. He spent much of his spare time at his cabin in West Virginia. Stewart was a founding member of the North Coast Cross-Country Ski Club. He loved the outdoors, spending time with his family, and was a voracious reader. An expert gardener; Stewart gave away much of his produce. He was a U.S. Army veteran.

He was a great provider to his wife of 54 years, Susan (née: Moss), and his children, Dave (Lynn) and Jennifer (Eric) Humphrey. He was the #1 fan of his grandchildren, Ryan and Cora Humphrey. In addition to his grand dog, Cooper, Stewart leaves behind many family members and friends, including his brother, Fred Seese, sister-in-law, Pat Seese, the Stuart family, Pat Keith, and the fine folks from the Black's cabin. He was preceded in death by his parents, Roy and May, and brothers, Jim and Lane.

A Celebration of Life will be held at a later date.

“ We are so saddened by Stewart passing. We have nothing but great memories-cross country skiing, restoring the Pigeon Perch-dancing at the Orange Tree-countless backyard cook-outs and dinners at Brennan's. We shall miss him greatly. All our love to Susan and family.

“ Haven't seen such a jubilant bride and groom since Susan and Stewart got married! Seems that that happiness lasted over a half century with many fond and loving memories to follow. I hold you and your family in my heart as you hold memories of your husband and father dear.

Our heartfelt sympathy to my Friend & former Coworker of 13 years at Kaiser Willoughby Susan Seese! We had a great time there & Susan helped me alot when I first started working there. I had the pleasure of meeting Stewart several times! He was a very handsome, kind Gentleman who showed his love for Susan & his Family openly! Sure wish this darn CORONAVIRUS would go away, it took your Dear Father's life at such a young age, totally unfair, but remember He was definitely loved by his entire wonderful Family & so many Friends also! May he RIP FOREVER!

“Stuart” was always a smile on the other side of my fence, in search of a water source, growing taters, or giving me a chuckle at “that’s a weed, not a flower”!
