“ Grace was my roommate at the Gamma Phi Beta House, Bowling Green State University, and what a wonderful time we had! We stayed in touch over the years, and I can hear her laughter as I write. Rest in peace, “Gracie!”

“ *The world is a less vital place without our Grace! She was a force to be reckoned with especially for her enthusiasm with life! ! I met her my first winter in Palm Springs in 2002 at a tennis racquet club where she took me under her wing and included me in her group of friends! We cemented our friendship over a fierce rivalry between the Wisconsin Badgers and the Ohio State Buckeyes! She loved to entertain and did it often and with decorations appropriate for the occasion, party favors, delicious tidbits, interesting people and always laughter. When we began to slow down and I couldn't play tennis anymore, she formed a card group. None of us, except Grace wanted to play cards, but she insisted, and every other week we got together for a few glasses of champagne, some chocolate wafers or other goodie she bought at her favorite specialty grocery and we regaled each other with funny stories while spending a few minutes playing some card game for which she only knew half the rules! Anyone who met her loved her! She will be greatly missed!*

“ Dear Vic, Gretchen, Hillary, Ingrid and Family,

I am shocked and saddened to learn of Grace's passing. She was a dear friend and fellow tennis player at Heisley for many years. We had some good times on those courts.

One day at tennis, I told Grace that I house sat for friends, and she asked me if I would be willing to do the same for her and Vic. It would include though, taking care of you girls as well. And, one time it involved some horses, too! I had some good and interesting times house sitting for you all:-). During that time, I also got a lot of "prototype" brushes from you, Vic, to try out at my house. They were all wonderful, and I still use them!

Grace had the most loving heart, and an uncanny ability to reach people in a deep, unique and heartfelt way. I remember she would give all she had in order to be there for others. She was a special friend to all that knew her and devoted to her family.

It is hard to find the words that might bring you comfort, but I just wanted you all to know, that I am thinking of you with sympathy and understanding.

My hear goes out to you at this sad time,

Michelle Odell, Tennis Friend
