“ Grant was one great guy! One of my favorite memories was how he would leave the cobwebs on the back of his mercury just to drive his best pal Wally crazy & light his pipe every few minutes. They were like the odd couple ! When they were at the car shows they would always keep you laughing .Thanks Grant for just being you You'll be missed. Love Dave & Jan King

“ Grant was like a grandfather to me. I loved hearing about his life, especially the war stories and his childhood in the village. He knew so much, and I loved what he had to say. Goodbye uncle, I'll miss hearing your wisdom and voice.

“ Mr. Farrow was like a second father to me when I was a little boy. Scott and I were inseparable. Mr. Farrow just had to accept that he had another son as I was always around. Always a kind and caring man! I have many wonderful memories of him. My deepest condolences to the family on this sad loss.
