“ Mr. Towns was my 4th grade teacher. He made me like math and is the reason I have a love of classical music. He was an excellent role model and it was great for us to be mentored by an upstanding Black man in that position. That meant a lot to us. I am better for knowing him. I am sad that I was unable to find him in time to thank him, but am overjoyed that he left such a deep impression on us all. Mr. Towns - Caledonia elementary alumni students are heartbroken today at hearing this sad news, but are glad to have had their lives touched by you sir. Fly high, you will be missed. - Former student, Caledonia Elementary School, 1989

“ Greg was one of a kind! He was a fabulous leader and educator. The kids respected and adored him and he brought the best out in his staff. He was an advocate for teachers and students. As the union president and a teacher in his building, I can tell you he respected the contract and remembered he was an ECEA member every day. He just loved that I had the "union phone" in my classroom (long before we had cell phones). He was our principal during a two week work stoppage in EC, and when we came off the line he was at the door to greet and hug us all. He had the insight to know it would be his leadership to move us forward and he did it! What a guy! You will be missed!

“ Greg was one of the first elementary Principals that I had the pleasure to work with. He would rather be walking from room to room greeting the students and the staff and he would love to sit in the cafeteria during lunch and do math facts with the students. If he was not in his office he could be found in the Blue Pod (Kindergarten & 1st grade wing) sitting on the floor with the students reading one of his favorite books. Greg found time to sit and share with us in the office about this or that or even just day dream at the end of the busy day. Greg was a wonderful Principal and will always be in our hearts. I will miss you Facebook posts and your short "Hello's" and notes. Rest easy Greg and watch over all of the little ones. <3 Kristen

You summed up his whole outlook as an educator and leader! He knew the name of every child in our building.

He was indeed an educator and leader. His students loved him, the parents respected him, and his staff enjoyed his leadership skills. Rest well Greg. The battle is over and the victory is won.

“ Greg was an awesome educator, one who could not tolerate anything but the best from other educators for his students. He won the Hall of Fame Award for State Street Elementary as principal back in 2007. Greg was so happy to share his birthday with Dr Seuss and hear the children greet him every morning...”Good Morning, Mr. Towns!” Greg, you were loved by many and we will miss you❤️ Deb Sarosy

Mr. Towns was a great boss educator, and friend. What I loved about him them most is how he loved the kids and wanted nothing more for them to be educated. He let me be apart of that when I worked for him as his custodian, he didn't look at me as being the cleaner but somebody who can help take part in educating children. Gone but not forgotten. Mr Gregory Towns was a great educator, role model, principal, leader, and friend. He loved education, children, and people. He was a compassionate leader that had a unique way of reaching and teaching students. He was well respected and he had a way of drawing our staff together with gatherings, celebrations, dinners, performances, outings, and various meetings. Equally, I appreciate so much the care he took in connecting with and involving the parents and community in our students education. He was knowledgeable about many subjects. He had a great sense of Humor, he was generous, and he was innovative.

The one thing that I will always remember is his Christmas Gift to all of the students and staff in the building one year. He and his group sent the entire school to the movies one year. We took Lakefront Lines to Randall Mall Park Mall. We saw "The Santa Claus." There were snacks for everyone provided. It was a great time! Everyone was so excited! It was an awesome gesture! We were a family. Greg Towns, you will be missed.
