

Harry "Bob" Fisher

December 17, 1942 - September 8, 2024

Harry "Bob" Fisher, age 81 of Mentor, OH, was called home to be with our Lord and Savior on September 8, 2024 at the David Simpson Hospice House. He was born December 17, 1942 in Cleveland, OH.

A US Army Sergeant Veteran who served his country during the Vietnam War as a Combat Engineer; Bob was a self-employed home-building contractor and plumber. He was a man of integrity, strong-willed and stubborn at times, but had an enormous heart and a great sense of humor. He was generous with his time, knowledge and abilities. Bob was well respected in the construction industry. He was really a "Bob" of all trades; there was nothing he couldn't do, and he loved to use his talents and abilities to help others. He enjoyed volunteering much of his time at Stony Glen Camp, where he designed and built six structures. Once he fully retired, Bob became a faithful "Tuesday Guy" and continued to help renovate most every building on the camp premises. He also volunteered for Meals on Wheels.

Bob enjoyed spending quality time with his family. He could always be found in attendance at one of his six grandchildren's sporting and/or academic events. Many memories were made with his grandchildren; drawing, fishing, hiking, teaching them archery, golf, how to build, bowling, gardening, whittling, baking, "wall" ball, ceramics and so much more. Bob loved to travel and spent many vacations with his family. Most of all, he loved traveling with his wife,

Sharon, enjoying all of God's magnificent creations, especially the mountains and National Parks.

While our family has lost a beloved husband, dad and papa; many have lost a good friend. Bob has been a rock to many, a master at sarcastic humor and witty timing to all!

He is survived by his wife of 50 years, Sharon J.; son, Craig R. Fisher; daughter, Kelly E. (Dan) Smith; grandchildren, Cayden and Carly Fisher; Danny, Nathan, Dominic and Colton Smith; brother, Dale (Joyce) Fisher; nieces, Jody Fisher and Jamie Wintz. He was preceded in death by his parents, Harry R. and Betty J. Fisher.

A celebration of Bob's life will be held at 11:00 a.m. on Saturday, September 21, 2024 at the Friends Church: Willoughby Hills, 2846 SOM Center Rd., Willoughby Hills, OH 44094.

The family will receive friends from 10:00-11:00 a.m. on Saturday, September 21, 2024 prior to the service at the church.

“ Bob is the oldest of my cousins. He spent the majority of my childhood tormenting me (good naturedly). When I was finally old enough to fight back it became a ritual. My favorite thing was the day I caught him cheating (not really, but admitting that would ruin the story!) at Bible Trivial Pursuit at Uncle Jacks one New Year’s Eve. At another gathering we were discussing our ages. I told him he had to go stand on the other side of the room because I didn’t want anyone to know I had a cousin that old because they’d think I was getting old too. Of course he would also always take Donna and I, when we would go to their house during the summer, for ice cream at the Euclid Race. Sometimes just before dinner which I don’t think Aunt Betty knew about... He was a kind, caring, loving, silly and funny man who is going to be very missed. I love you Bob and you helped make my childhood memories wonderful at a time when my childhood wasn’t so wonderful.

“ We've been neighbors and friends with Bob for many years, and we're going to miss him. Always enjoyed our chats and his sense of humor covering many of life's topics. I know he deeply loved his family and always enjoyed when his grandkids were over. He was a proud papa and always played in the yard with them.

“ I have so many memories of family gatherings. From Thanksgiving dinners to family picnics. One of my favorite memories was just playing a friendly game of baseball at one of those family gatherings. Bob and Sharon spent a lot of time attending our kids sporting events. He truly was a wonderful Brother-in-law. Bob has been a big part of my life since I was 12. I'm so thankful for the past 61 years that you were here for our family Bob. RIP

“ I know I’m biased but I have to say I could not have asked for a better brother. My big brother looked out for me from the time we were kids. The number of times he protected me and just plain looked out for me were innumerable. We are glad we got to share time with Bob and all of our close family near the end but will cherish more all the times we got together both in Ohio before we moved and after as well as the times Bob, Sharon, and the kids (grand) traveled down to Florida.

My brother is gone in body but lives on in my heart and the hearts of my entire family.

*Our deepest love & sadness!
