“ I thought of Harry today, and looked him up. I'm so sorry to learn he is gone. I worked with Harry from the mid 1990's to the early 2000's and stayed in touch for many years after. Sarcasm in the best way was one of his great qualities. He also talked endlessly about his family. He loved you all. He and I shared the same back problems, so we related quite well. My best to the family.

“ My father in law was a wonderful caring, giving man . He loved his family with all he had. He never missed a birthday, a game, a holiday... his laugh was infectious and his heart was bigger than life. Losing him is devastating. There will never be another like him. Rest easy, Harry. We love you❤️
