“ *Part of my childhood died with you that day. The memories we made will forever live in my heart and soul. Your kindness was so pure and your friendship was a blessing. I miss your smile and sense of humor and your sense of adventure. Always the voice of reason and always having my back. I wish I could be home today to say farewell to you but I also know you understand why I can't. We will be. Celebrating YOU next week when I fly home. Miss you so my sweet friend, may you forever rest in peace. We love you...*
