“ *We lived "down-the-street" from Albert & Helen while they raised their children on Bellmeadow. Our oldest son became constant companion & friend of their son. Helen was a great influence on our son, especially in our boys' teen-age years, when boys trying become men "knew-it-all"... Helen was level headed and a hard worker as a RN, she put in more hours than I did with 5 children... I am thankful to know her, and pray her children can be thankful for her...
