“ *Mary Lou,
So sorry to hear of your Dad's passing. You shared so many special stories about him in the times that we worked together. He sounded like he was great person and loved his family very much. May you have peace and comforted by your wonderful memories of you and your families' times together.*

“ *Mary Lou, Mike & family,*

My deepest sympathy on the loss of your father. It was just a few days ago I commented on a great pic of your Dad and how he (the big guy) looked so good, posted by Laura on Facebook. You dad was always positive and ready with a joke or two. He seemed to have an inner peace about him. He is up there with your Mom watching over you and the kids (Mike is hopeless). Unfortunately we will miss your Dad's wake and funeral, leave for a wedding in Wisconsin on Friday morning, returning Monday. Again, my deepest sympathy.

“ My uncle Hank was someone who never met a stranger...always quick of wit and always had that big smile...his love for life and his family will be greatly missed. My greatest respect for him was when he came to my brother in laws funeral here in North Carolina...he came from far away and that showed what a caring and loving soul he was. My dad will sorely miss him..their chats and banter back and forth was a joy to see and brought laughter to the room. Family is everything.. From our 'Krochmal' hearts here in the south...we love you all and share your sorrow deeply. From Toni, Mark,Barb,Betty,Debbie & Pati

“ Dear Marylou & Family,

We are so sorry to hear about your Dad. Jim & I thought the world of him. Always willing to help with a smile on his face.I know it is a difficult time for you, but he is now with your Mom. They were the "perfect couple" bringing out the best in each other and passing those values on to each of you.

The entire family will be in our prayers!

Love,
Patty & Jim Papp
