“ *My deepest sympathy to the entire Horn family. My late husband Bob and I had many good times with Herald at Talking Books and the Telephone Pioneers. I will miss him, Donna Muehl.*

“ *Our deepest sympathy to the family of Herald and Carol. They have been a staple in the neighborhood almost as long as us. They always had the best garage sale back in the day, which helped draw in people to our street. We will always remember Herald marching over one Halloween night, and after lots of work to decorate by us, he looked at our display and said... "if you guys aren't going to get into this, why don't you just turn off your lights and go on in" We had the best laugh. He was as funny as he was nice. His flag flew every day. Such a great man, great wife, great family. You'll be missed around here. Love, Pam & Phil Zivich*
