Tribute Wall

“ Vera, Sandy, and Kathy and the rest of the family. Please accept our sympathy with the death of Hermie. What a milestone... 100 years!!! I will always remember how much fun he was and how he and Addie were so helpful in learning to polka! There were so many weddings and parties and fun times we had at family gatherings. What great memories we have. I'm sorry that I couldn't come to Hermie's memorial service today. I have an ulcer on my foot (from diabetes) and made arrangements for an MRI that I hope will show that the bacteria hasn't spread to the bone. Otherwise I'll need to have surgery.

Much sympathy to your whole family. Lynn and Ruth Shepard
