

## Ian Wingo

March 11, 1986 - January 1, 2015

Ian Wingo, age 28, a lifelong resident of Painesville, was born on March 11, 1986. He left early Thursday morning, January 1, 2015 at University Hospitals of Cleveland, with his mom by his side, after winning his battle against cystic fibrosis, and graduating from this life.

Ian had delivered pizza for the former Giuseppe's Pizza in Mentor for almost 6 years. His boss, Sue Barresi, became a second mom to him, and a member of his family. Ian enjoyed playing video games, playing his guitar, and writing songs and musings. He was a graduate of Riverside High School Class of 2004.

Survivors left to grieve the huge loss include his mom, Kathy (Rick Allison) Wingo; aunt, Sherry Seeman; and uncle, Gary (Julie Leonard) Seeman; great Aunt, Irene (Russ) Schoetker; and his cat, Brandy. Ian leaves behind friends too numerous to mention, but they know who they are. He loved them all, and they loved him. Preceding Ian in death, and taking his hand to leave the physical world, is his grandma, Elsie "Beem" Seeman.

The family would like to thank Dr. Stern and his staff for their compassionate (and humorous) care of Ian through the years.

A gathering to celebrate Ian's life will be held at a future date. Love you til our

last breath, Ian. Rest and breathe easy now.

“ I remember Ian standing on my foot and me lifting him high into the air, and him giggling away. I have fond memories of Beem and her lanisms. Its hard to accept that this fine young man has gone to join his "Beem". Please accept my sincere sympathy. We all feel his loss.

“ To say the very least, Ian was an amazing friend to me. We had lost touch over the years, but he left me with great memories to cherish and hang on to. Ian knew how to make me laugh, and he was the life of the party. One of my favorite memories was playing Halo with Nick, Andrew and Krissy in his room, and another includes being at Krissys house until the wee morning hours talking and laughing. We all were the best of friends, and Ian was an essential piece to our friendship. Rest in peace, sweet Ian. I'll always love you...it isn't goodbye, it's see you later. xoxo-Alycia

Kathy, So sorry to hear about Ian. I can remember when he was just a little guy coming into the nursing home with you. What a little character he was. You can be assured that he IS with Beem now.
